## QUICK PEEK

Kerala, located on the South-western tip of India, enjoys unique geographical features that have made it one of the most sought-after tourist destinations in Asia. Fondly referred to as 'God's Own Country', Kerala was selected by the National Geographic Traveller as one of the 50 destinations of a lifetime and one of the thirteen paradises in the world. Bekal is situated in Kasargod district in North Kerala, a land with a resonant past, myths and legends. Easily accessible (80 km from Mangalore airport), Bekal is a 'last frontier' beach destination - extremely private and undiscovered!

Sprawled across 26 acres, Vivanta by Taj - Bekal, Kerala is enveloped in a relaxing yet rejuvenating ambience. The resort is located on the meandering Kerala backwaters, in a stimulating, natural environment with beach access. Secluded and romantic, amidst the charm and lush beauty of Kerala, Vivanta Bekal ensures you the holiday of a lifetime.

The architectural style is inspired by the Kettuvallam house boats that are unique to this region. Vivanta Bekal is nestled in the midst of a rustic environment while offering all the sophistication and style the discerning guest demands.
